Specifications:

Item	RJ45 Waterproof Socket
Model	14192
Material	Waterproof socket
Size	26*31mm
Temperature range	-30C -70 C
Flammability	PA6 flame retardant rating
Confirmation	CE certification
Rated insulation voltage	250V ac
Rated current	16Arms
Contact resistance	less than 7m ω
Insulation resistance	greater than 500 MEGohms

Wire:
