

## Model Number JDS-04C Desktop microphone PTT/LOCK

### Description:

Dynamic table mic equipped with a weighted ABS base and 200 mm fixed gooseneck ensures stable tabletop placement. Unidirectional dynamic capsule provides focused vocal pickup with minimal background noise. Non-slip pegs enhance stability, while PTT and LOCK buttons allow convenient control. Includes 1 m cable with 6.3 mm plug output.

### Features:

- Dynamic cardioid mic delivers clear, focused sound for paging and speech
- 200mm flexible gooseneck allows easy mic angle adjustment on the desk
- Weighted ABS base with anti-slip pads keeps placement secure and steady
- Dual 6.3mm plugs with PTT and LOCK keys, made in Taiwan for reliability
